

Name of Course: General Korean Elementary to Advanced

Level: Elementary

Course outline

Week	Topic	Language Focus	Assessment Task
1	Hangul	Single Vowels Single Consonants Syllable Structure	
2	Hangul	Tense Consonants Aspirated Consonants Double Vowels Final Consonants	Pronunciation rule of final consonants

Note: Assessments are given every week.

* **Attendance** - It is important to attend all classes to successfully complete the course on time and to improve your Korean. Make sure that you're responsible for all your absence.

* **Assessment and course progress** – Our assessment allows us to properly understand your knowledge, skill and attitude towards learning. After each assessment you will get written or spoken comments on your work by your teacher, which will help you understand how to improve.

* **Moving up to the next level** – You need to show continuous improvement in order to move up to Pre-Intermediate A level. You also need to attend classes regularly and have a good attitude to learning. Your progress will be monitored through your assessment scores. In order to move to Pre-Intermediate A level your average score should be above 75%.
